hard work to keep away from Wichita. He was in the city yesterday looking at more real estate Lottie Helmer's Serenaders and buriesque

specialty company is the next company booked for the opera house. The date Monday, April 5th. Mr. Keeler informs us that the Santa Fe

will sell tickets from Wichita to San Francisco and other California points for \$5. This is awful cheap riding. The immense quantities of stone coming

in here on the Fort Scott and Santa Fe and Frisco roads may be taken as an indication of a good sized building boom and stone cutters may be seen everywhere with mallet All communications must be addressed to and chisel making the chips fly. Mr. Philleo of this city, submitted to a se-

vere surgical operation yesterday at his residence which consisted in the removal from his hip of a large cancerous tumor that had been growing for the past year, and which had become very painful of late, necessitating its removal. The operation was performed by Drs. McCoy and Purdy.

drawn by Bunny Mead, has just been received from the lithographers. It is a daisy. It shows up all the various wards, streets. railroads, street railroads, and additions up to December 1, last. It is a very handsome map, and the completest yet made of the city. The colors are bright and the additions are in different colors. The whole is a

complete and a very beautiful map. The Art Amsteur for April gives a strik-Mrs. Lydia Sexton, the United Brethrer, another of blackberries for wood carving, one of birds for oil painting, a cup and saucer decoration (forget-me-nots) and five pages of monograms, figure sketches, old a protracted meeting. On her way bome, which is in Fredonia, Kan., she will ge reposses work. The special feature of the number is an exceedingly full and interesting account of the famous Morgan art rasle, with a complete list of the pictures seld, the buyers, the prices they paid, and the prices Mrs. Morgan gave, tegether with the number of our citizens.

Mrs. Lydia Sexton, the United Brethrer, evangelist, was in our city last Thursday stopping with her grand-niece, Mrs. L. C. Sherman township, near Simen Frantz's place.

Kate Galena, who has been in the county jail for some time, charged with illicit intercourse with the late proprietor of the Sedgwick house, was released from custody years the man and gentleman purchased a fine farm in samed gentleman purchased as fine farm in samed gentleman p ing design for Easter lilies for embroidery,

NO LONGER QUESTIONED Way Outside People are Talking and Feeling About Wichits.

Wichita will more easily and swiftly now veep on from twenty to fifty thousand poplation than she did from ten to twenty usand. The same observation will hold qually good touching the city's growth from fifty to one hundred thousand. The truggle was to get over or above the point or line of difference which makes between a "Now. I would like to know what 'Sorasis' ountry town and a city in fact, and to have hat fact recognized and acknowledged by everyone. All over Kansas, and all over the west, and even among railway manage-

ments of the east, that Wichita is the comling city of Kansas is no longer questioned.

years. It was not a woman's rights club,

Mr. Carlysle. Mr. B. visits Wichita for the time, at 8 per cent. The price of the lots Among railroad builders and operators and I believe during the presidency of purpose of deciding as to its availability as range from \$50 to \$125. Rich's addition outside of the men who own the Santa Fe, Jenny June it was against the rules of the a distributing point for the manufacture, lays right at the end of the Little Arkan there is no other city than Wichita known in the sense or light referred to. The monied discussed. About a year ago, I think, Jenny be is entirely satisfied with the outlook, the nen of New York, Philadelphia and other June was bounced, and it is now a woman's number of towns which can be readily particulars. Another bridge will be put up and enterprises, especially those of railroads, are becoming wonderfully conversant with the present status and future prospects of the city election. monied centers, who control European caprights club. I don't know if our local reached being greater than from any other also, at Carey avenue, which reaches the the new and rapidly developing commercial

netropolis of Kansas. A gentleman intinately connected with one of these monied institutions, remarked to us at the capitol on Monday, that with the opening and seclement of the Indian Territory, he deemed a matter of wonder, even to the west, where rapid developments were every day affairs. Another gentleman, in the same connection remarked that in a conference a few weeks from the talk, there was but one town in Kansas, and that-Wichita.

THE CHICAGO AND ROCK ISLAND Another Independent Trunk Line of Railway

for Wichita There is no longer any question of the extension of that great system of western railways, the Chicago, Rock Island and Pacific to a direct and independent connection with Wichita, and as was stated in a special to the Eagle yesterday morning. This sysem, as everybody knows, touches the Misouri river at four points between the north ine of the state and the mouth of the Kaw iver. The absolute certainty of the matter

will be fixed at the next meeting of the beard of directors, which occurs within ten days in New York, after which work will commence as soon as the preliminary details can be consummated. To some it might seem that Wichita wants the whole earth. However that may be, that seems about what interests here and who we know to be an she is getting. Let the boom continue to honorable, straight-forward business man, boom. In the mean it may not be out of place to say that there is another big hen on and the announcement of the batch may be looked for in an incredibly short time,

say within a week or two.

THE BUILDER'S MOVEMENT than anything yet shown us. There may be close at hand, and the people should assemwindlers connected with it and individual | ble in mass convention and endeavor to thusiasts, but swindlers and dreamers are

Please announce in your valuable space that the lately organized labor organization of which Dr. Fabrique is grand pilllinger; J. H. Aley, Indian commissioner; Dr. Smith, general tooth-yanker, Joe Allen, upply agent, and H. L. Pierce, sergeant-starms, are to give a icicle and canned snowball festival on the Island in the near future. Joe Allen, Wichita, Kan.

MENDELSSOHN QUINTETTE CLUB.

The ticket board for the grand musical morning and for an hour there was a steady stream of people for seats. A commercial make no delay as they are being rapidly other day.

H. C. Spizer was up before his honor yes-

Since my last racket, the weather has been pretty tough, but there is one feature about it that affords some slight degree of consolation: It is tougher somewhere else If these frosty nights continue much longer, the fact that others are suffering in a still

higher degree, won't satisfy everybody. Sorasis-"I saw a very nice society article in the EAGLE," said a man to me yesterday.

Sorosis is the name of the oldest woman's he has left Indiana. club in the United States, and the wellknown writer, whose nomme de plume is

timber. I am not opposed to the Sorosis he will commence the erection of another that the expansion of Wichita's trade, and they suffered much, so I don't want that sort and glass. Mr. Zimmerley is one of the increase of her population would prove of thing to occur again. If woman suffrage most enterprising citizens. means death to political dishonesty, blue racers and hog cholers, I'm with it, but if it means the indiscriminate use of arsenic and condiments of that stripe in the husband's ago with some New York capitalists, a coffee, excuse me. Neither am I willing their own chair and easel. The club meets stranger would have been led to believe that, that my wife should run on the opposite ticket to mine. I wouldn't object to women taking a hand in the coming election if they should inaugurate some radical changes in the operations of the city council.

"The biggest blunder I ever knew the ouncil to commit," said P. V. Healy to me resterday: "Mr. Hill is furnishing the city hree or four gas lamps free. He came into the council with a simple request for an electric light franchise, and asked nothing more. He did not ask that the city take any lights. Certain members of the council lickered and fought the measure so that it simple privilege of putting up the poles and cottages. The city is full to overflowing. wires. Now comes the Schuyler Electric Light company, complete strangers, without one dollar's worth of interest in this city, and the council not only fires their ordia \$1,000 worth of lights, thereby giving in the city.

and who is now lighting the city for \$800. I think it is a perfect shame." I agree with Mr. Healy in this matter and think the council has shown undue partiality. They ought to have just given the Schuyler company a simple franchise and then let the two companies solumn article, denounces the "builder's compete for lighting the city, and let the novement" as a grand swindle and so ac- best man win. The action of the council in knowledged by a managing trustee. This this connection has simply robbed the peos not the first time that we have been re- ple of all competition, as far as lighting the quested to denounce this movement, but we city is concerned, and in my private judgshall not now, nor shall we in the future un- ment the people should enter a vigorous less we are convinced from stronger evidence protest.
